The image shows a web form for user authentication. At the top, there are two buttons: 'Login' and 'Register'. The 'Register' button is highlighted in dark blue. Below the buttons, there are three required fields: '\* Required', '\* Email', and '\* Password'. Each field has a corresponding input box. Below the password field, there is a link labeled 'Forgot your password?' which is highlighted with a red rectangular border. At the bottom of the form, there is a green button labeled 'LOGIN'.

FORGOT PASSWORD**

Dear Daisuke,

Forgot your password?

Log in with this temporary password **iohMhfOi**

You will be asked for the email address that you used to register as your username.

**For security reasons, you will be asked to change your temporary password when you log in for the first time. Your new password must meet the following requirements:**

1. At least one lowercase letter
2. At least one uppercase letter
3. At least one number
4. Minimum of 8 characters
